

# JUDICIAL TRAINING:

the right skills to embrace  
the digitalisation of justice

26, 27 & 28 April 2023

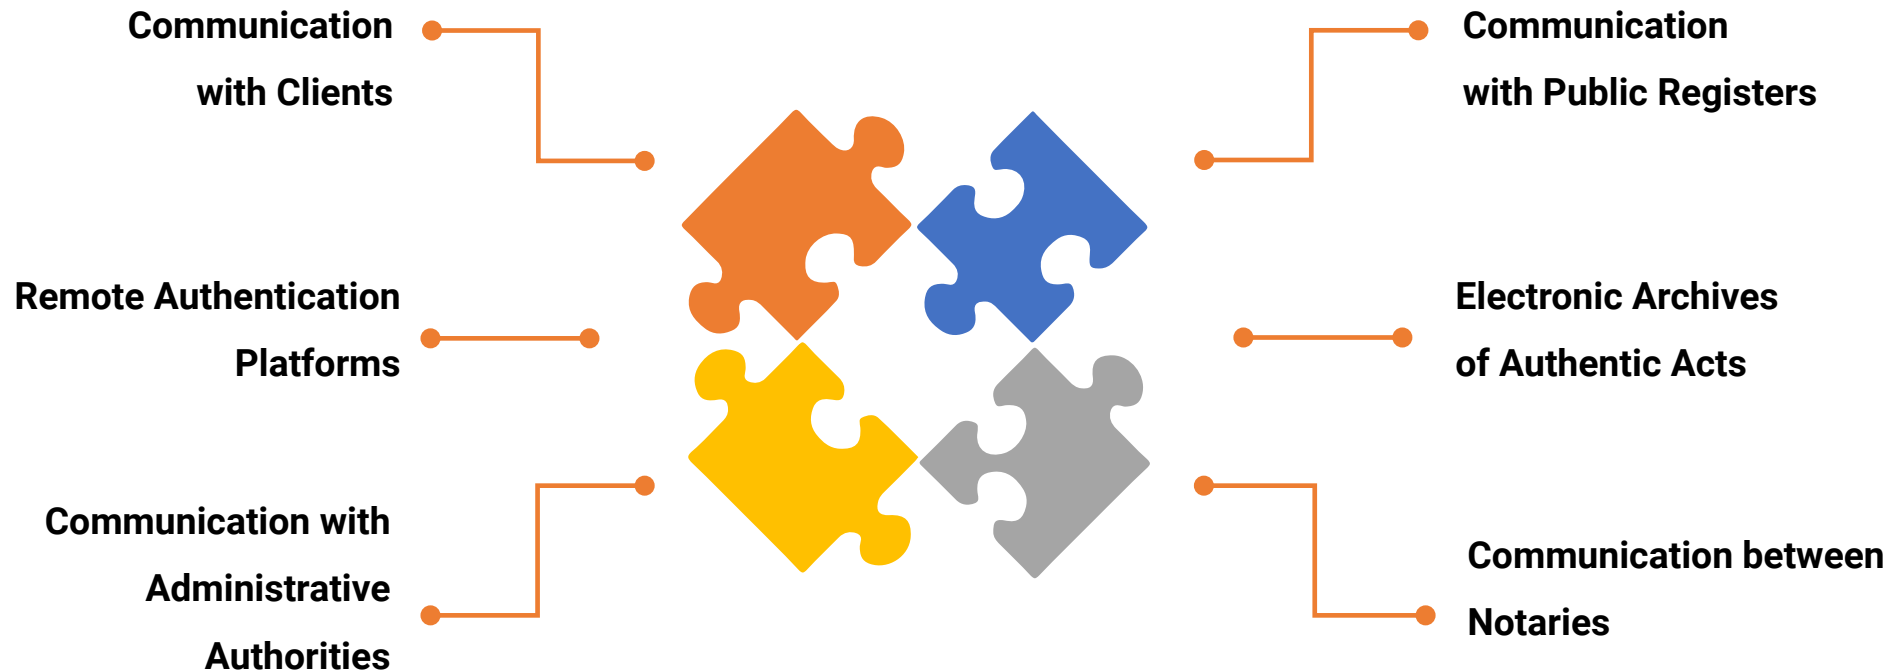

# Role and Impact of Digitalisation on the Notary's daily Work

*Peter Stelmaszczyk, President of the CNUE*

# Digitalisation in the Legal Field

# Benefits and Challenges

- >> Simplifies administrative procedures
- >> Provides low-threshold access to justice
- >> Uses resources more efficiently
- >> Ensures the sustainability of judicial services in the future

➔ **A key challenge:** providing the same level of legal certainty in the digital world

# The Role of Training

Identify and develop skills related to the digital world

Provide training on digital tools

Launch of the CNUE e-Learning platform

# Shaping the Digital Future

## Digitalisation Regulation

- Will facilitate cross-border communication and access to justice via e-CODEX

## Upgrading Digital Company Law Initiative

- Business Registers Interconnection System (BRIS) will be improved
- Company information will be accessible via the e-Justice Portal
- Will expand the use of digital tools in EU Company Law

## AML Single Rulebook

- AML prevention through the use of digital tools

THANK  
YOU  
for your participation!
